

FAQ

Question:

I have large MP3 music collection - more than 10 000 MP3 music files. From "Computer News" TV show on CNN I heard that Music Manager is the most powerful MP3 music renaming program. Can I be sure that it will sort and manage all my MP3 music?

Answer:Yes. Music Manager will be perfect salvation for your music collection organizing. All your musics and other music files will be automatically sorted and organized by genre, artist, and album name using the music method you will choose so you will be able easily navigate among them and find audio record, that you need, in seconds.

Question:

I heard that Music Manager is very powerful, but also it is very easy-to-use. It is true? I want to sort and manage my MP3 music collection automatically, in some easy way. Will Music Manager fit to me?

Answer:Yes. Music Manager is not only powerful music music sorter - it is also very easy to use it with it's start-up step-by-step wizards those will help you to sort and manage all your MP3 music automatically in a very easy way.

Question:

I have large MP3 music collection. Can Music Manager manage my MP3 music?

Answer:Yes. With Music Manager all your MP3 music will be in ideal order. It is very easy to start - just download Music Manager and run it. It has user-friendly step-by-step wizard using which all your MP3 music not just will be sorted and organized - it will be sorted and organized exactly as you want.

Question:

I had collected my music collection for the years. Now I am appending several disks full of music every week and it takes more and more time to maintain my music collection. Can Music Manager sort and manage all my MP3 music automatically?

Answer:Yes. Music Manager, being the leading MP3 music sorting program, have all that is needed for full-automatic and qualitative MP3 music sorting: it know all existing music genres, artists, music albums and will sort and manage all your MP3 music fast and qualitative.

Question:

I want my MP3 music to be sorted as I want - by artist, by genre or somehow else. Can I do it with Music Manager?

Answer:Yes. Music Manager support both variety of popular MP3 music sorting methods (by artist, by genre, etc.) and also gives you ability to select one of them or select some custom, your own method of MP3 music sorting. So, with Music Manager you are able to sort and manage all your MP3 music exactly as you like.

Question:

I have large amount of MP3 music, some of it is packed in ZIP and RAR archives. Can I sort and organize with Music Manager my music inside of archives too?

Answer:Yes. Music Manager is so powerful that it will even sort and manage MP3 music inside of all major archive types (both ZIP and RAR). And even more - It will not just sort and manage archives by creation date - it will view and analyze their content, according to which and archive processing rules, that you can easily specify, it will sort archive and append it to archives database, or extract archive content and process each of files inside of archive separately. This possibility

may be very useful, for example, if you have archives with music files inside - it can process all music files in archives and add them to your music library.

Question:

Most files in my music collection - are MP3 music files. But in it are also presented music files in other formats. The best music sorters and managers I had seen before sorted only MP3 music. Can Music Manager sort and manage not only MP3 music, but also other music formats?

Answer:Yes. Music Manager, being a leading music sorting program, sort and manage not only MP3 music of all types (ID3, ID3v1, ID3v2, ID3v3, ID3x - all is supported) - it also sort and manage music and media in 987 music and media formats and count of supported music formats is increasing every day. With Music Manager you always may be sure that all your music and media will be sorted and organized, even if your music is in rare format - fast, easy and exactly as you want.

Question:

Music Manager organized my MP3 music very good. Can it, in addition, manage my photo collection too?

Answer:Yes. Even if you have millions of images in different formats, Music Manager will manage them all, by content and creation date, giving you ability to control process with "Realtime information" tab page on Music Manager main window. You also may view all media, that was processed, in the separate window, specialised for that purposes - in the Image previewer.

Question:

I am glad that my MP3 music collection is organized by Music Manager and now it is in ideal order. I know that, in addition to MP3 music, it also sort and manage other media files - photo, video, books, etc. Can Music Manager manage my program installation packs?

Answer:Yes. Music Manager have support of all program installation packs and will manage them in easy usable programs library, where you will be able without additional tools, find needed program by name of company - manufacturer, name of product, it's version and release date.

Question:

Now I see that Music Manager - is a MP3 music sorted that really best match my needs (it sorted all my MP3 music exactly as I want). One more question - Can Music Manager organize files of custom types?

Answer:Yes. In addition to MP3 music sorting, Music Manager can process custom files of custom types, sorting them using one of numerous special methods, so you will be able to easily find file, that you need.
